

# SCHOOL INFRASTRUCTURE

## **SMART CLASSROOMS**

Classrooms are aesthetically designed and integrated with well-furnished desks.

## **LIBRARY**

School library, a treasure trove of knowledge, has state-of-the-art infrastructure to provide students a place to learn, think and share ideas.

## **LABORATORIES**

A hub of modern facilities and equipment, St. Peter Convent School labs play a key role in educational effectiveness of the curriculum in attaining effective, cognitive and practical goals. We make sure that our students are provided with all facilities required for a practical experience – in Science, Mathematics, Social Science and Computer Labs.

## **OUTDOOR PLAY AREA**

We allow students to explore different environments by providing them playfields and facilities.
